We discussed how much we should spend on a lotto tree for the scholarship raffle. We decided \$100 (\$80 in lottery tickets and a \$20 bill. Mary Ransome gave Betty Rivers a check for \$100 and Betty will make the tree. Kathy P. brought in a metal lottery tree that we will use for the raffle.

Mary also made out a check to Kathy P. for \$66 for items purchased for the wreath (for raffle), candy and mesh bags for favors, and certificates for married longest, most children, etc,
